AN ACT ...; relating to: providing meals to inmates of prisons and jails.

Analysis by the Legislative Reference Bureau

* ^{per} Current law requires a sheriff or other keeper of a jail to provide three meals ^{per} a day to inmates. Current law does not specify how many meals a day the department of corrections (DOC) must provide for prison inmates, but specifies that inmates must be treated humanely.

* This bill allows, at his or her discretion, a sheriff or other keeper of a jail to provide two meals ^{per} a day to jail inmates, unless a physician notifies the sheriff or keeper that an inmate has a medical need for more than two meals a day. Under the bill, a warden or prison superintendent may not serve more than two meals a day to prison inmates unless a physician notifies the warden or superintendent that an inmate has a medical need for more than two meals a day. ^{per}

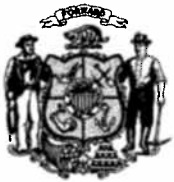

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
